**Setup and Open Days**

Hi everyone, we are delighted that we are able to hold our beer festival this year, however for it to run smoothly and provide everyone with a good experience we need volunteers. Please have a think and see if you can help us on any of the sessions.  
 We need people that can help with the set up which includes getting all the stuff into the hall, putting up the bars, building a stillage for the casks and getting the hall ready.  
 During the festival we need people to man the front desk and take card payments, sort out glasses, stewards to stand at the doors and people to serve behind one of the three bars.  
 For take down we need people that can dismantle the bars and the stillage, help move all the equipment out of the hall and generally clean and tidy the hall.  
 We will be grateful for any help you can offer us and you'll be provided with a warm welcome
